

aging policy by awarding fellowships to qualified candidates to serve in a Senate office or with a Senate Committee. The goal of this program is to advance the development of public policy in issues affecting senior citizens. Administered by the Heinz Family Foundation in conjunction with the Secretary of the Senate, the program allows fellows to bring their firsthand experience in aging issues to the work of Congress. Heinz fellows who are advocates for aging issues spend a year to help us learn about the effects of Federal policies on our elderly citizens, those who are social workers help us find better ways to protect our Nation's elderly from abuse and neglect, and those who are health care providers help us to build a strong health care system that addresses the unique needs of our seniors.

The Heinz fellowship enables us to train new leaders in senior citizen advocacy and aging policy. The fellows return to their respective careers with a new understanding about how to work effectively with government, so they may better fulfill their goals as senior citizen advocates.

The John Heinz Senate Fellowship Program has been a valuable tool for Congress and our communities since its establishment in 1992. The continuation of this vital program will signal a sustained commitment to our nation's elderly. I urge my colleagues to join me in cosponsoring this resolution, and urge its swift adoption.
